MR. ROBERT K. GRAY, Cabinet Secretary, telephoned through secretary from the White House for the Director. When advised of the Director's absence from the city, the secretary declined to speak with an assistant and inquired when the Director would be back. She was informed that the Director's return was indefinite, but that this office expected to be in telephonic contact with the Director and would advise him of Mr. Gray's call. She stated this would be fine.

It is noted that the Director is tentatively scheduled to brief the President and the Cabinet regarding Communism and Espionage on October 17, 1958. Mr. Gray is expected to advise the Director of the exact date for this briefing and this may be the reason for his call.

Mr. Belmont has been advised of this call.
